

Christmas is Coming

At Indy you can find a whole range of products that would make ideal Christmas presents, from Cosyfeet shoes through to cosy armchairs. Remember to order early though to avoid disappointment.

Our First Birthday Party

Well it's official, we're one year old. The cake has been cut, the songs have been sung and it's back to business.

Visitors to our birthday party on October the 31st were treated to cake and tea and invited to take advantage of a wide range of birthday special offers.

The icing on the cake, forgive the pun, was the return of Evesham's Mayor Alan Booth, who originally opened us last year with Dame Tanni Grey Thompson, returned once more to have a look around and share in a slice of cake.

All About Timing?

Have you ever wondered what a synchronised scooter team would look like?

At Indy we were so curious about this that we've actually decided to put one together. If you're a scooter or a wheelchair user and are interested in having some fun while learning all about using your scooter safely contact Elizabeth on 01386 443857 and ask about joining Indy Sync.

Running Out of Christmas Gift Ideas?

Well it's nearly time again to brave the hordes of shoppers in search of the perfect gift for that special someone.

We all know what a nightmare it can be so, how about coming to Indy to have a look at some of the things we have on offer.

We have a whole range of Christmas gift ideas ranging from watches to, slippers, walking sticks to armchairs. Gifts to suit all people and all prices.

3 for 2 Clothing Special Offer

Buy any 3 items from our range of Tanni & Anni or Rackety's children's clothes specially designed to make life easier for those with mobility impairment and you'll get the cheapest item free (offer subject to availability, while stocks last).

Free Winter Scooter Check

If you're worried that your scooter might not be safe for the winter weather, Indy are offering free scooter check ups throughout the winter to set your mind at rest. Our fully trained mechanic will give your brakes, tyres, batteries and headlamps a check over to make sure that they are in a safe condition for you to drive, giving you and your family that added peace of mind in the most harsh weather.

Need a winter home for your scooter?

Not everyone has space to bring their scooters inside so for just £10 a month Indy will store & charge your scooter for you, inside where it will be safely protected from thieves & damage from the elements.

Raffle Update:

We've already sold a lot of tickets for our raffle but we're still a long way short of our £2000 target in aid of the excellent St Richard's Hospice. To help support, and be in the chance of winning an armchair along the way, tickets are available from Indy or from either of the Stewart Pharmacy stores in Evesham until the 21st of December.
